JUAN PONCE De LEON MONUMENT

CONTRIBUTION FORM

The Royal Order of Ponce de Leon Conquistadors is an organization dedicated to the preservation of the Spanish Heritage of Florida and especially Charlotte County. We have established a tax deductible fund, protected by a surety bond, to finance the creation of a monument with a bigger than life size bronze statue of Juan Ponce De Leon, who discovered Florida and Charlotte Harbor in 1513. He returned to Charlotte Harbor in 1521 and attempted to establish a colony. The monument will be placed in Gilchrist Park, Punta Gorda, Florida, as a prominent point of interest for residents and visitors alike.

We are soliciting your participation in this historical monument by purchasing one or more bricks for the base floor. The bricks will be inscribed with your choice of names, dates, etc. In addition to selling bricks, we are accepting major silver donations of $500 and gold donations of $1000. These major donors will have their names inscribed on bronze plaques attached to the base of the monument.

A $50 contribution will buy one 4 X 8-inch brick inscribed with up to 14 characters or spaces on three (3) lines.

A $100 contribution will purchase two 4 X 8- inch bricks inscribed with up to 14 characters or spaces on 6 lines. The two bricks will be paired.

You can use [IN HONOR OF] or [IN MEMORY OF] and that will require one line. Names and dates can be inscribed on the other line or two.
